All Local #6 Apprentices,

I hope everyone is having a great summer so far. Classes will be starting soon at our new Training Center on September 4th at 5pm with Orientation followed by a presentation from Pipe Trades Services MN on Thursday September 6th at 5pm. Prior to September 4th, please pay your 1st semesters tuition of \$250 either on our website, mail it in, or drop it off at our new Union Hall and Training Center at: **3111 19th St. NW, Rochester, MN**. Tuition may be paid that night, but I would prefer it if you can pay it ahead of time. Your attendance is required on both days and we have a lot to go through, so please arrive on time so we're able to get through everything. The class schedule is now available on our website for you to print off, otherwise I will have paper copies available the 1st night of class. If you have any questions, just let me know. I hope everyone enjoys the rest of their summer!

Fraternally,

Jeremy Thompson
